

BOSA4RENT

A Note to Our Community

At Bosa4Rent, we are committed to the health and safety of our residents, staff, and communities during this unprecedented time. We continue to closely monitor the updates and recommendations from our provincial and federal health agencies, and have adjusted our daily operations to align with these by enforcing the following measures to help stop the spread of COVID-19:

We've closed all shared spaces. All amenity and shared spaces including the gym, have been closed until further notice.

The frequency of our already rigorous cleaning protocols has been increased and focused on high-touch and traffic areas such as the lobby, elevators, and door handles.

In person contact with staff has been reduced to emergency situations only, such as the event of a flood, loss of power, etc. Our emergency support line is still available 24/7, 365.

Residents and staff are to stay home and follow the 14-day quarantine protocol as outlined by the government if they are sick, have been travelling, or have been in contact with someone who is sick.

Virtual tours are now available. In order to best protect you, our residents, and our staff, we are now offering virtual tours only at all our buildings, including our latest offering, 537 Foster in West Coquitlam; browse our "Find a Suite" page for availability. To book a tour with our leasing team, you can reach them at info@bosa4rent.com, or 604-968-8333 any time.

For any additional information surrounding the COVID-19 pandemic, please refer to the government resources below:

- [Health Canada](#) updates including health and safety information
- [BC Government](#) updates, including information on housing and monthly bills

Stay safe.
