

A Note to Our Community

At Bosa4Rent, we are committed to the health and safety of our residents, staff, and communities during these uncertain times. We continue to closely monitor the updates and recommendations from our provincial and federal health agencies, and have adjusted our daily operations to align with these by enforcing the following measures to help stop the spread of COVID-19:

All amenity and shared spaces including the gym, are open at a limited capacity. Capacity limits vary by building.

Rigorous cleaning protocols are in place, focused on high-touch and traffic areas such as the lobby, elevators, and door handles. Non-toxic cleaning solutions are also available to all staff & residents to use as necessary.

In person contact with staff has been reduced where possible, but our team remains on site. When in-person interactions are necessary face coverings are required. Our emergency support line is also available 24/7, 365.

Residents and staff are to stay home and follow the current government-mandated quarantine protocol as outlined by the government if they are sick, have been travelling, or have been in contact with someone who is sick.

Virtual tours are available. In order to best protect you, our residents, and our staff, we are offering virtual tours as an option for viewing at all our buildings; from Vancouver to West Coquitlam and Victoria. Browse our “Find a Suite” page for availability.

To book a tour with our leasing team, you can reach them at info@bosa4rent.com, or 604-897-3333 any time.

For any additional information surrounding the COVID-19 pandemic, please refer to the government resources below:
